

Hello everybody!

I hope you are doing fine.

For this week, you will have the chance to work on personality types. The activity is designed for pairwork, but you can do it solo too. As usual, the answer key follows.

In addition, you may want to check *Learn English With TV Series* which is a YouTube channel offering English lessons based on excerpts from popular English TV series.

## Worksheet A

### 1 Read out your sentences for your partner to correct the underlined words.

- \_\_\_\_\_ dislikes people from other parts of the country. There's no real reason for it, I think he's/she's just neurotic.
- \_\_\_\_\_ is always cleaning the house, even when it's already clean! He's/She's a bit obstinate, I think.
- \_\_\_\_\_ is a truly thoughtful person. So many people have gone on to create great things after hearing him/her speak.
- \_\_\_\_\_ often has a lot of 'big' ideas, which always end up being too big to work. He's/She's a bit perceptive, I think.
- \_\_\_\_\_ always considers and listens to our ideas, even if he/she doesn't agree with them. It's good that he's/she's so insensitive.
- \_\_\_\_\_ is naturally conscientious. He's/She's always asking questions about where I've been, things I've bought, etc. I think he's/she's just nosy!
- \_\_\_\_\_ is a very rebellious person. He/She always likes being on his/her own, and whenever you invite him/her out, he/she always finds an excuse not to come.
- \_\_\_\_\_ is so mature when it comes to studying/working. I sometimes wonder what he's/she's doing in that position if he's/she's not interested!

### 2 Complete the sentences with the names of people you know outside of the class who the sentences are true for. Share your answers with a partner.

## Worksheet B

### 1 Read out your sentences for your partner to correct the underlined words.

- \_\_\_\_\_ is so apathetic. Even when she's/he's clearly wrong, she/he won't change her/his mind!
- \_\_\_\_\_ is quite a solitary person. She/he always knows when I'm having a problem, even when I've hidden it well from everyone else.
- \_\_\_\_\_ is so obsessive. She's/He's always panicking and thinking there's something wrong with her/his health, at the slightest sign of anything unusual.
- \_\_\_\_\_ is very over-ambitious for her/his age. We often have conversations about things I can usually only speak to other adults about.
- \_\_\_\_\_ can be really inspirational at times. Whenever she/he sees someone upset, she/he just ignores them.
- \_\_\_\_\_ is the kind of person who would take work with them to do on holiday, if it wouldn't get done otherwise. She's/He's really open-minded.
- \_\_\_\_\_ often does things just to be 'different', and as a consequence often gets into trouble for it. She's/He's just a prejudiced person, I think.
- \_\_\_\_\_ always considers how other people will be affected before making a decision, and always seems to say the right thing. I think she's/he's a really inquisitive person.

### 2 Complete the sentences with the names of people you know outside of the class who the sentences are true for. Share your answers with a partner.
